

Kungfu politics

This kung fu master come from the east
One Kungfu policy, that is his interest (Hear him)
I fightaah on a mission
To conquaah this writterr (little) nation
His first fight on arrival was in de customs
Where duty for his cabal was causing problems
Well he take up a fighting stance
Fellas know they had no chance
When de master show them a few techniques, they move aside, some run and hide
Customs open wide
(Haich, Haich, Haich)

**De man using kung fu
With moves that will fool you
With lightening kicks and punches he'll barzoudi you with his clever tricks
(Haich, Haich, Haich)
He using kung fu
That will mesmerize you
With his wataaah haich, wataaah

This master, now set out to promote his plan
By claiming a stakeout for his Kungfu clan (hear him)
I open Kung fu shop
So vely cheap, make evly one stop
Once de hot news of his dojo start going around
The master, he take over business in de town
When VAT people try to collect
His community reject
He deploy his fighters wit all their tricks, he tell de best, those fighters wit zest
Kick VAT in de chest
(Haich, Haich, Haich)
