Commonwealth of Dominica

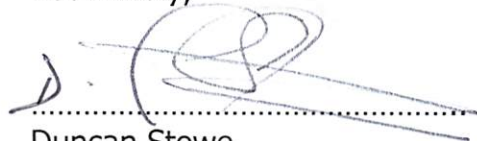

Dear Hon. Linton,

I refer to your letter dated November 12, 2021, in which I had been asked to act on certain allegations pertaining to the validity of the DLP candidate, Mr. Vince Henderson, in the upcoming Grand Bay bye-elections. More specifically, you requested that the Commission bar Mr. Henderson from contesting the mentioned bye-election, if certain documents are not provided by him.

Your letter was brought before a meeting of the Commission on November 15, 2021. The matter was discussed extensively but it was not decided to accede to your request.

Please be guided accordingly.

Yours truly,

Duncan Stowe
Chairman
Dominica Electoral Commission
