Dear Sir:

Re: Alternative People's Party

We act for the Alternative People's Party (APP) with instructions to write to you. Our instructions are that earlier this month you resigned as the APP's Chief Strategist, a position which allowed you access to APP's email and other Facebook accounts. However, despite your resignation, you have continued to disseminate emails in the name of APP and have failed to return goods, including backpacks which were donated by party supporters as part of APP's Back to School Programme.

Our further instructions are that a Press Release dated October 22, 2021 which was signed by Kendra Stephens has been disseminated by you and/or Miss Stephen. This Press Release referred to 'Article 21 of the party's Constitution' and to a Congress which was held by you and some other individuals on October 20, 2021. As you are no doubt aware, the Constitution which you rely on has not been accepted by the Executive of APP particularly because Article 21 is contrary to the principles of democracy which guide the party. Moreover, APP has ratified a different constitution which it presented to the Electoral Office at the time that APP was registered and which guides APP's actions. There is no provision in APP's Constitution for Founding Members.

Consequently, the Congress of 20th October 2021 and any other meeting which is arranged by you as a 'Founding Member' and which purports to make decisions for APP and any decisions which come out of these illegally constituted meetings are null and void.

Our client is also very concerned that you have threatened its Party Chair, Miss Tahira Blanchard. You are advised to cease threatening Miss Blanchard immediately. Should you fail to comply with our client's request to you to cease and desist, Miss Blanchard will have no choice but to take action against you.

In order to avoid further unpleasantness and in the interest of having APP develop unhindered by this prolonged and unnecessary rancor and discord, you are advised to cease from engaging in these unauthorized acts which are clearly intended to cause harm to APP.

Yours faithfully,

.....
