Dear Madam:

**Re: Dissemination of Information**

We have been instructed by the Executive of the Alternative People’s Party (APP) that you have been signing press releases on behalf of APP without the prior knowledge and consent of the present executive.

Our further instructions are that you have, along with other persons, including Mr. Alexander Bruno, been organizing meetings as ‘Founding Members’ of APP. You are advised that any meetings which are arranged by you and Mr. Bruno as ‘Founding Members of APP’ and which purport to make decisions for APP and any decisions which come out of any of these illegally constituted meetings are null and void.

Further, our clients have advised us that you have not been actively involved in the operations of APP for over a year and that you are in no position to represent APP or to speak for the Party, including on any media platform.

You are therefore advised to desist from disseminating any information on behalf of APP and from holding yourself out as having any authority to speak on behalf of the Party.

Please be guided accordingly.

Yours faithfully,
